Work Experience

FREELANCING

2015 - Ongoing

Web Designer/Dev/Graphic Designer

I am a web designer and developer using multiple freelancing platforms like fiverr and freelancer including occasional Toogit. I have good reviews and fair amount of satisfied clients

NEST-IO | INTELGHAR

2017 - 2017 (2 months)

WordPress Developer/Android Dev

I was hired for a web developer internee position. I developed their website intelghar.com and after that was done I worked on an Android application for Home Automation BLE and completed it. I learned in 2 months time

APTECH COMPUTER EDUCATION CENTER

Web Design Faculty

This was my first Summer Job. I taught web design and dev including other subjects like Java, C#, Microsoft Word, Excel, Powerpoint

Education

UNIVERSITY OF KARACHI

BSSE 4th Year (Computer Science - UBIT)
2014 - 2018 (ongoing)

I am currently a student of computer science. I have never failed any subjects and always passed with excellent GPA. I have always been the best in programming and dev related subjects in class. Can provide references

DELHI GOVT. COLLEGE

From - To
2012 - 2014

I was always good in school work but I spent most of my time on personal skills like web design. But I still managed to pass 9th with 89% and Matric with 84% and 71% in College
